

Texas Small Farmers & Ranchers/Community Based Organization

WORK FIELD DAY GUIDELINES

Field Days are scheduled between the TSFR/CBO members to give hands on support to one another to address our individual operational needs such as fencing, working cows, plowing, herbiciding, etc.

The Field Day guidelines are:

- Host should be current member of TSFR/CBO (which is per ranch/farm)
- One day with no more than 6 hours of work
- One type of work that needs to be done
- Host provides water, drinks & lunch
- Each Host must commit to working on at least one other field day team for another Host
