

## WHAT'S GOING ON WITH KEVONNA!

Kevonna's cows are doing well. She has 2 calves on the ground and one on the way!

Kevonna and her goat, "Dude" finished 1st in her class and 3rd overall in the Houston County Fair this year. She worked real hard training and feeding her goat. Rain, shine, sleet or snow, **she was in the goat pen!**

Kevonna just recently purchased a steer for the 2015 show. Kevonna said that she will also show another goat for the 2015 Houston County Fair.
